**TO WHOM IT MAY CONCERN**

This is to confirm that Mark Reinbott of TreeWhiz has been engaged as an arborist and tree contractor by RE/MAX Success for several years.

We are delighted to recommend his services for his professional advice and wisdom, business integrity, competitive pricing and willingness to complete work orders in a timely manner.

Over the last 15 years we have engaged a number of different tree contractors but have found Mark Reinbott to be a cut above the rest and in a league of his own. Mark undertakes major tree pruning and removals at large complexes in confined areas as well as smaller jobs at residential properties.

Additionally, Mark has volunteered his services to brief our Property Managers on a regular basis to assist them in identifying noxious trees and nuisance sucklings in our large residential and commercial rental portfolio.

We have no hesitation in recommending Mark Reinbott of TreeWhiz Services as the ultimate professional arborist servicing the Toowoomba region.

Yours faithfully
